

Cock Control

Isacaarum

Let's go, yeah!
Cumming again, we are so proud
Body fluids orgy, here nothing rests in pain
You're rigorous judge, trying to suffocate me
As the all of penises are getting thick and hard..
Cock, cock, cock, cock control!
Check, pass, test, competition fuck
Hey you, you are to win
Let show yourself again
Hey you, your prick is so big
Your balls makes me insane
Hey you, there is no cheat
My measures can't betray
Hey you, there is no trick
You can't beat me, so pray!
In harsh way
I am controlling your length
With no hurry
I am checking for your sperm
Cock, cock, cock, cock control
Cumming last time, we were so shy
Body fluids party, we are almost dead
Rigorous judge is nearly satisfied then
As the all of penises were weak, soft and drained
