

## Menstrua

Isacaarum

Try, stop your bleeding, it's not so good  
My fucking obsession, my sick perversion  
Blood stream from cunt I drink, I lick like a beast  
I have to show you bizarre sexual chase  
Fuck...  
Menstrua... fuck menstrual blood  
Menstrua... fight menstrual blood  
Masturbation, defecation, menstruation  
Micturation, penetration, preservation  
That's I love and hate  
Masturbation, defecation, menstruation  
Micturation, penetration, preservation  
It's your fucking fate  
Masturbation, defecation, menstruation  
Micturation, penetration, preservation  
What a funny game?  
Masturbation, defecation, menstruation  
Micturation, penetration, preservation  
All the time it's same!  
Bloodfall seems to be fine for my prostate  
It's OK, I'm right next of you... fuck  
I eat your towel, no way to do a mistake  
I love you so take me out of blue  
Don't stop your bleeding, it's pretty good  
Your fucking obsession, your sick perversion  
Blood stream from cunt I drink, I lick like a beast  
We should repeat it, our bizarre sexual chase
