

Perineum Battlefield

Isacaarum

Pe-ri-ne-um

Three, two, one and go!

Fucked up cunt into the shreds

My dreamy fairytale

We're guerillas, no bugger dancers

WE-NE-VER-FAIL

Take a cover in your mind

You can't resist

How to destroy G spot find!

COCK-OR-THE-FIST ... Now!

Twat gutter overflows, your defense is dissipated

Vulva enraged, clit blocker masticated

Foreskin grenade blows, pussy lips as barricades

Prick shot's fucking fine, in orgasm frontline fades... Yes!

Perineum... Battlefield / fuck

Perineum battlefield... Fuck

Dissipate, masticate, combat slut, ready to charge and fuck

Dissipate, masticate, combat slut, ready to attack

Pe-ri-ne-um

Razor sharp cocks made of steel

Shreds of pussy flesh

Lethal dose of pricks you took

IN-YOUR-WET-GASH

This sex war ain't of love

Cumquest the Paradise

Love tunnel is full of sperm

AND-YOUR-TWAT-DIES

Fucked up cunt into the shreds

A gorgeous hairytale

We're assassins and faggot dancers

WE-NE-VER-FAIL
