

Rhythmic Balls

Isacaarum

Listen to melody of corporal fun
This is a music for my big gun
I love our harmony, I love to feel that sound
Finally I'd say what I have found
Cunt is pretty, extremely deep
Rhythm of slushing to hear I really like and need
We are slaves of nasty sexual heaven
You are a teen and I am forty seven
As my prick is deep inside, do you like my rhythmic balls?
I prefer you're open wide, listen to my rhythmic balls
You cannot be so fucking shy, do you like my rhythmic balls?
Balls are knocking on your cunt, listen to my rhythmic balls
As my prick is deep inside, do you like my rhythmic balls?
I prefer you're open wide, listen to my rhythmic balls
Sinking in cuntslime, this feeling I adore
Strangulate my prick, no way to be bored
I try to taste your rectal fucking hole
Sucking out shit I've to cry for more
As you sigh I'm going you to slash
Pussy of beauty looks like fucking gash
We are slaves of nasty sexual heaven
You are a teen and I am forty seven
All body fluids I'm going to suck
My balls are conducting this orchestral fuck
Your juicy pussy I forced you to lend
My final cumshot and music is to end.
