Drinking and penetrating | seek for fluids of love
Masturbating throatflap in reverse fuck I drink this liquid from
your mussy muff
Splashing slime wet drenches my face from above
Your pulsating sperm pump is ready for cumshot
I am set up and steady to eat your piece of meat

Drink up spermivore
Freak up spermivore

Now you're breaking wall of my world and my sexual sanity
I am screaming as you cumming on my cheeks
Spermivorous orgy, I love this filth
Love as buggerfucking freak

What a blast of decimating spermjet?
Yeah, it is landing for me
Nearly unconscious and completely blinded
Great, let's drink for cumfucking free
