

Burn

Isaiah

It's gonna burn for me to say this but it's coming from my heart
It's been a long time coming but we done been fell apart
I really wanna work this out but I don't think you're gonna change
I do but you don't, think it's best we go our separate ways

Tell me why I should stay in this relationship
When I'm hurting baby, I ain't happy baby
Plus there's so many others things I gotta deal with
I think that you should

Let it burn
When the feeling ain't the same and your body don't want to
You should know, gotta let it go 'cause the party ain't
Jumping like it used to, even though this might bruise you
Let it burn, let it burn, gotta let it burn
Deep down you know it's best for yourself but you
Hate the thought of her being with someone else
But you know that it's over, you know that it's true
Let it burn, let it burn, gotta let it burn

Sending pages I ain't supposed to, got somebody here but I want you
'Cause the feeling ain't the same, find myself calling her your name
Ladies tell me, do you understand? Now all my fellas, do you feel my pain?
It's the way I feel, I think I made a mistake, now it's too late
And she ain't coming back, what I gotta do now to get my shorty back?
Man I don't know what I'm gonna do without my boo, you've been gone for too
long
It's been fifty-leven days, umpteen hours, I'ma be burning till you return

Let it burn
When the feeling ain't the same and your body don't want to
You should know, gotta let it go 'cause the party ain't
Jumping like it used to, even though this might bruise you
Let it burn, let it burn, gotta let it burn
Deep down you know it's best for yourself but you
Hate the thought of her being with someone else
But you know that it's over, you know that it's true
Let it burn, let it burn, gotta let it burn

I'm twisted 'cause one side of me is telling me that I need to move on
On the other side I wanna break down and cry
I'm twisted 'cause one side of me is telling me that I need to move on
On the other side I wanna break down and cry
Can you feel me burning?
So many days, so many hours, I'm still burning till you return

Let it burn
When the feeling ain't the same and your body don't want to
You should know, gotta let it go 'cause the party ain't
Jumping like it used to, even though this might bruise you
Let it burn, let it burn, gotta let it burn
Deep down you know it's best for yourself but you
Hate the thought of her being with someone else
But you know that it's over, you know that it's true
Let it burn, let it burn, gotta let it burn

Let it burn, let it burn, gotta let it burn

Let it burn, let it burn, let it burn
