

Close To Me

Isaiah

(Whenever you're close to me)

This room looks like a hurricane, wet and came
Everything's upside down (Yeah, yeah, yeah)
My head's a pool of liquor, swimmin' in it 'til my feelings dro
wn
Let's take a second, let's assess the damage
I'm sorry that I said the things that I did
Next time I think I'll think before I open up my mouth

The way your love has got a hold on me (Mhm)
It's like I'm right where I'm supposed to be
We go 'round, we go 'round, we go 'round in circles
But I know I'm right where I'm supposed to be
Whenever you're close to me
Whenever you're close to me

This bed has seen some bitter fights, better nights
Seen us both make mistakes (Nah, nah, nah)
My heart's an open window
Can't you see I don't mean to cause you pain?
You can't get mad at me for being honest
I'm not the type to keep my feelings bottled up
The truth is no one's ever, ever made me feel this way

The way your love has got a hold on me (Yeah, yeah, yeah)
It's like I'm right where I'm supposed to be (Yeah, yeah, yeah)
We go 'round, we go 'round, we go 'round in circles
But I know I'm right where I'm supposed to be
Whenever you're close to me

It doesn't matter where I go
It's always gonna feel like home
I'm never gonna let you go

The way your love has got a hold on me
It's like I'm right where I'm supposed to be
We go 'round, we go 'round, we go 'round in circles
But I know I'm right where I'm supposed to be
Whenever you're close to me

Ooh, yeah
Mhm, mhm, mhm
Close to me
Ooh, whenever you're close to me
