First Christmas

Isaiah

This is gonna be our first Christmas
You're my reason to dance
Been so long sitting on my wish list
I pray it won't be the last

Santa
Can you hear me?
You know all of my secrets
But I ain't on the naughty list
Me and my baby
Here with me
I don't care about the gifts
Can you grant me this one wish?

When I hear sleigh bells ring
Going like jing jing jing
That's the time I need my lover
To be there with me
Dreaming about the fire
Raising our spirits higher
I wanna wrap you up
With my love

This is gonna be our first Christmas
You're my reason to dance
Been so long sitting on my wish list
I pray it won't be the last

I didn't want no
Lonely Christmas
Learned my lesson in the past
And how it feels to go through that
Prayed for an angel
Can you send it?
Now I believe in miracles
When today's in falling snow

When I hear sleigh bells ring
Going like jing jing jing
That's the time I need my lover
To be there with me
Under the mistletoe
Want everyone to know
I'm gonna wrap you up
With my love

This is gonna be our first Christmas
You're my reason to dance
Been so long sitting on my wish list
I pray it won't be the last

This is gonna be our first Christmas
You're my reason to dance
Been so long sitting on my wish list
I pray it won't be the last

It's a dream come true

Spending this night with you
Been longing all of my life
I don't care
When the season ends
'Cause I know you'll be
I'm gonna keep you
Right by my side

This is gonna be our first Christmas
You're my reason to dance
Been so long sitting on my wish list
I pray it won't be the last

This is gonna be our first Christmas
You're my reason to dance
Been so long sitting on my wish list
I pray it won't be the last

Our first Christmas
Our first Christmas (it won't be the last)
Our first Christmas (it won't be the last)
Our first Christmas
Our first Christmas (our first Christmas)
Our first Christmas
Our first Christmas
