Falling into You

Isak Danielson

Everyday
Something new
Taking time
To see you
And the skies
Summer has
Nothing can take us from this place

Time flies slowly
We're still here
And hope these moments
Never disappears
Everyday
Something new
I'm running out of time so I'm telling you

I'm falling into you
Falling into you
If I fall any deeper
Deeper I'll drown
I'm falling into you
I'm falling for you
I can't fall any deeper
Cause you know just how I feel
And you feel just how much is real
I'm falling into you
Falling for you

We shear the chapter
You gave me laughter
Now I feel you on my pillow, ever after
The nights were made of
You and my love
No one else could make me feel this way

Time flies slowly
Cause I stand here
I know these moments
Will disappears
Everyday
Something new
I'm running out of time so I'm telling you

I'm falling into you
Falling into you
If I fall any deeper
Deeper I'll drown
I'm falling into you
I'm falling for you
I can't fall any deeper
Cause you know just how I feel
And you feel just how much is real
I'm falling into you
Falling for you

Deeper, falling for you deeper
I'm falling, falling for you deeper

Deeper, falling for you deeper
I'm falling deeper
Everyday
Something new
I'm running out of time to tell you I
Running out of time so I tell you I

I'm falling into you
Falling into you
If I fall any deeper
Deeper I'll drown
I'm falling into you
I'm falling for you
I can't fall any deeper
I'm falling into you
Falling into you
If I fall any deeper
Deeper I'll drown
I'm falling into you
I'm falling for you
