

Last Song

Isak Danielson

I think that I will go now
I don't even know why
I've been holding on to you all this time
You have made it clear that
What I feel is one way
You will never open your heart for me

I'm the one staying
As you walk away
It feels like you're fading
You're fading away

I want to feel your heart beat with my hand on your chest
When I look into those eyes
I will know what is next
I am lost in something
That has no way out
It hurts but this is the last song that I write

I wish that I could slow down
Ask if it'd be alright
To take you out for dinner sometime this week
But I'll just have to give up
Pretend that I have moved on
Though you're the only one on my mind

I'm the one staying
As you walk away
It feels like you're fading
You're fading away

I want to feel your heart beat with my hand on your chest
When I look into those eyes
I will know what is next
I am lost in something
That has no way out
It hurts but this is the last song that I write

Can my breath be yours tonight?
I'll give you the time
Can my breath be yours tonight?
I am losing mine

I want to feel your heart beat with my hand on your chest
When I look into those eyes
I will know what is next
I am lost in something
That has no way out
It hurts but this is the last song that I'll write
