

Skyfall

Isak Danielson

This is the end
Hold your breath and count to ten
Feel the earth move and then
Hear my heart burst again

Let the skyfall
When it crumbles
We will stand tall
When I face it all
Together at the skyfall
When it crumbles
We will stand tall
When I face it all
Together at skyfall

Skyfall is where we start
1000 miles and both apart
Where worlds collide and days are done
You may have my number, you can take my name
But you'll never have my heart

Let the skyfall
When it crumbles
We will stand tall
When I face it all
Together at the skyfall
