

Wait A Minute

Isak Danielson

Hey, my love, do you miss me still
You don't believe me when I say I do
I'm not the best when it comes to this
You're the one I need and can't resist
I'm not the best when it comes to this, hey
All I'm asking is for your kiss

Wait a minute darling, I put my money here
You already undressed and I can't seem to disappear
Wait a minute darling, just wait a minute now
Wait a minute darling, the passion isn't found
I thought that this was love but now we're dying on the ground
Wait a minute darling, just wait a minute now, wait a minute no
w

Hold on, my love
Did you move on, move on
I heard you've met someone new
I wish you luck in your life and I know
That you will be alright
But I'm letting you go without a fight

Wait a minute darling, I put my money here
You already undressed and I can't seem to disappear
Wait a minute darling, just wait a minute now
Wait a minute darling, the passion isn't found
I thought that this was love but now we're dying on the ground
Wait a minute darling, just wait a minute now, wait a minute no
w
Wait a minute now

I feel like you need me, need me
I feel like you need me, need me
I feel like you need me, need me

I put my money here
You already undressed and I can't seem to disappear
Wait a minute darling, just wait a minute now
Wait a minute darling, the passion isn't found
I thought that this was love but now we're dying on the ground
Wait a minute darling, just wait a minute now, wait a minute no
w
Wait a minute now
