

# Fight To Win

IShowSpeed

(Stop playin' with 'em, RIOT)

I'ma fight to win  
I'ma fight for myself tonight  
See me dreamin'  
Bring on any challenge, I'ma fight  
I don't mind  
I'm feinin', I'm feinin'

Cha-cha-cha, I be gettin' that bag quick  
My name Speed, I like drivin' the fast whip  
United my journey for fashion  
I'm a goat, I'm more greater than average  
On YouTube, where the streams blow up  
They be talkin' 'bout me, I be like, "So what?"  
Make 'em mad, but we only go up  
Ain't nobody, but God that can judge us  
And they try to drown me underwater, but I just flo-oat (Oh)  
I'm breathin', I'm breathin'  
I can never quit 'cause I was born to win, so bring on the show, oh (Oh)  
I'm ready, so bring it

I'ma fight to win  
I'ma fight for myself tonight  
See me dreamin'  
Bring on any challenge, I'ma fight  
I don't mind  
I'm feinin', I'm feinin'  
I'ma fight to win  
I'ma fight for myself tonight  
See me dreamin'  
Bring on any challenge, I'ma fight  
I don't mind  
I'm feinin', I'm feinin'

Charts up and I'm ready to show out  
I'm a man with a plan, I know, ah  
I can win, won't know if we don't try  
Ah, ah, ah  
Charts up and I'm ready to show out  
I'm a man with a plan, I know, ah  
I can win, won't know if we don't try  
Ah, ah, ah  
They ain't stoppin' nothin' (Huh, huh)  
Up the score, I got the tally goin' up (Goin' up)  
Goin' dumb on whoever doubted us (Doubted us)  
Strategize, know I'm always up to somethin' (Yeah, yeah)  
We goin' up (Yeah, yeah)

I'ma fight to win  
I'ma fight for myself tonight  
See me dreamin'  
Bring on any challenge, I'ma fight  
I don't mind  
I'm feinin', I'm feinin'  
I'ma fight to win  
I'ma fight for myself tonight

See me dreamin'  
Bring on any challenge, I'ma fight
