Girl, tell me all your problems  
Fly you to my cidade

You got me thinkin' 'bout them times  
I be gettin' the money, been on my grind  
Baby, lovin' your body and that's no lie  
I'm buggin', am I high? I be trippin', might lose my mind

You got ass in them jeans  
She like, "You act or you stream?"  
So I said, "I rap and I sing, girl, I can do everything"  
I'm from the block where I seen niggas drop flies from a beam

She light skin with a fat ass and I wanna tap, tap, tap that  
She talk dirty, I talk back  
She wear Chanel on her handbag

I be gettin' the money, been on my grind  
Baby, lovin' your body and that's no lie
