It's Christmas  
It's Christmas  
Uh, ay

Jingle Bell top and they get it right  
Got the Christmas on the right  
Yeah, we finna get right  
Red and yellow the green industry  
Everybody wanna know  
They fuck with me, It's Christmas, ah!  
Grandma messed up  
Gotta come back I messed up  
Hey gotta come with the fuck, I say nah Christmas  
Time we go I gotta get my roll  
I'm playing Fortnite with my bros, weak  
Fuck!  
Christmas time we ride  
Got a girl she on my side  
I put the red and yellows and we play a FIFA time  
Jiggle Bell, yo, we finna get the right  
With the green to the yellow to the right  
And wanna-

W, w, w  
Jiggle all the way

I'm grabbing on my clothes  
She says it's Christmas bro  
I'm playing one on FIFA  
And you know I win my bros  
She wanna-

W, w, w

Jingle Bell, Jingle Bell, jiggle all the way  
Once it's time the only thing I want  
To think, no thing, no sign

Jingle Bells
