IShowSpeed

Ha, ayy man
We back in this bullshit again, nigga (All we had to do was follow the damn train, CJ)
Give me one more fuckin' chance, bitch
Let me get one more fuckin' chance
You stupid bitch, fuck
Uh, uh, uh

Oh, when I seen you with them toes out
You ain't have no booty, but you had a lil' some out
You lookin' so nice
You wanna fuck me so good, but I'm tired of makin' it right
I said I love you and I was
And I'm thinkin' like, oh
Oh girl, I thinkin' like, oh
I'm tryna get in that booty, I'm wanna get to know some more
These niggas always tryna steal my goals
These niggas [?] on the low
I said you lookin' so nice
You lookin' good, but I just wanna bright up your fuckin' night
I wanna make it right with shorty and I ain't talkin' the light
I'm thinkin' good like you, I wanna be with you
These hoes will make you sick and I ain't even talkin' no flu
I'm thinkin', girl, I'm thinkin', girl, you lookin' so nice
These bullets comin', ain't no duckin', I ain't sayin' it twice
These hoes will make you mad and make you think you know how to fight
And I ain't talkin', ain't no bullshit, man, let's do it tonight

Ayy man, turn the fuck up, man
If you got a lil' dick, nigga, stand up right fuckin' now, nigga (Stand the fuck up)
If you got two inches dick, man, stand the fuck up (Stand the fuck up)
If your fuckin' dick's small, stand the fuck up
Fuck these hoes, nigga (Shrimp dick gang, bitch)

Like oh, baby, give me one more chance
And I've been thinkin' of you
I know I cheated, but I just wanna make it right with you
These hoes be coming after necks
And I've been thinkin' like, oh
Oh, I've been thinkin' like, oh
Oh, oh, oh-oh-oh
And I've been thinkin' like oh, baby, give me one more chance
And I've been thinkin' of you
I know I cheated, but I just wanna make it right with you
These hoes be coming after necks, damn

Ayy man, Dream, I know times been gettin', you know, hard and shit, but come on, you gotta take me back, man
Let me get one more chance, man
