

# Crazy Crazy World

Islander

I feel like I can't breathe sometimes  
Don't wanna be me sometimes  
Maybe I just need some time  
Maybe I just need some  
World spins, but they don't know  
Stuck watching from a window  
It's more than I can handle  
It's more than I can handle

It's a crazy, crazy world  
We're living in a crazy, crazy world  
We're living in a crazy crazy world  
Where I'm living, man, it's crazy, crazy  
Crazy, crazy

It's a crazy, crazy world  
Crazy, crazy world  
We're living in a crazy, crazy world  
It's crazy, crazy  
Crazy, crazy

I marvel as my head spins  
Every day I battle new sins  
Feel like I'm making enemies  
While I'm losing all my real friends  
All these gunshots flying through the air  
Facebook friends still pretending that they care  
Old school values meet a new school world  
We should all still matter, we should all still care

I need to hear my old songs  
Listen to the words I've sung  
I need to find a right way  
I need a way to right my wrongs  
I'm good most days, today ain't most  
Lost my will, ain't lost my hope  
It's more than I can handle  
It's more than I can handle

It's a crazy, crazy world  
We're living in a crazy, crazy world  
We're living in a crazy, crazy world  
Where I'm living, man, it's crazy, crazy  
Crazy, crazy

It's a crazy, crazy world  
Crazy, crazy world  
We're living in a crazy, crazy world  
It's crazy, crazy  
Crazy, crazy

Please, would somebody turn the news off?  
I can't relax, I can never take my shoes off  
'Cause I gotta keep running, man  
Gotta keep the hits coming, man  
'Cause the hits keep coming, man  
Gotta keep on running, man

I gotta keep on running, man

It's a crazy, crazy world  
We're living in a crazy, crazy world  
We're living in a crazy, crazy world  
Where I'm living, man, it's crazy, crazy  
Crazy, crazy

It's a crazy, crazy world  
Crazy, crazy world  
We're living in a crazy, crazy world  
It's crazy, crazy  
Crazy, crazy
