

Criminals

Islander

The day marches onward
It stumbles and it staggers
And it picks up its daggers
Like a drunk man falling on a moonlit grave
In case you didn't know
We're all criminals

We kept the lights off
Always acting so proud of what we should have been ashamed of
Yeah, we kept the lights off
And we were so proud
We were so proud, we're all criminals

We're all criminals
We're all criminals

I've been set up for murder
Guilty as charged
Condemned to burn up
For my self-slaughter, caught that homicide case. I'm under your
Big brother, watchtower, New World conspiracies
Don't need your judgment to tell me
We're all criminals

Criminal. Crook. Illegal
Outlaw. Guilty individual

And you should know
We're all criminals

Criminal. Crook. Illegal
Outlaw. Guilty individual

And you should know
We're all criminals

I am a guilty man
I am a guilty man

I wrote my own script over words already on the page
I should be the one with poison injected in my veins
My name should be "Dead Man."
My name should be "Dead Man."

You don't know what I've done

I must confess
I must confess

You don't know what I've done
I must confess
I must confess

We're all criminals
But I'm innocent

Criminal. Crook. Illegal

Outlaw. Guilty individual

And now you know
I'm innocent

Criminal. Crook. Illegal
Outlaw. Guilty individual

And now you know
I'm innocent
