Everybody wanna be seen
Live the dream of a television fantasy
(P-p-power, big money, the American dream)
(Big-big power, big money, the American dream)
Everybody wants fast cars, big money
Where's the structure of the family?
(P-p-power, big money, the American dream)
(Big-big power, big money, the American dream)

Can't stop, won't stop
I can't stop, won't stop
No matter what the cost
I can't stop, won't stop
I can't stop, won't stop
No matter what the cost

You're wrapped up in chains
Is this what you call freedom, freedom?
You're wrapped up in chains
I swear that you don't need 'em
You don't need 'em

Adolescent dream state
Instagram wizard on a Twitter style first date
(P-p-power, big money, the American dream)
(Big-big power, big money, the American dream)
Real news, fake news, forget the facts
And you can choose what's true
(P-p-power, big money, the American dream)
(Big-big power, big money, the American dream)

I can't stop, won't stop
I can't stop, won't stop
No matter what the cost
I can't stop, won't stop
I can't stop, won't stop
No matter what the cost

You're wrapped up in chains
Is this what you call freedom, freedom?
You're wrapped up in chains
I swear that you don't need 'em
You don't need 'em

We've lost our minds, quick to give up the realness
For a little bit of shine
Runnin' out of time, world keeps spinnin'
But we're towin' the line
Digestin' the lies, don't look surprised
It's the truth we despise
Who we are inside, claimin' that we're free
But our hearts and mind are

Wrapped up in chains
Is this what you call freedom, freedom?
You're wrapped up in chains
I swear that you don't need 'em

You don't need 'em
Wrapped up in chains
Is this what you call freedom, freedom?
You're wrapped up in chains
I swear that you don't need 'em
Is this what you call freedom?
