

# Lucky Rabbit

Islander

You've learned to read the stars  
But you still cannot read these words  
Cannot read these words  
The palms of your hands tell the future  
But you were born with no hands  
Born with no hands  
You've been putting hexes on your exes  
And pretending to know what sex is  
While the children are slipping through the cracks of the system  
You've been trying to get some  
Trying to convince her  
While the children are slipping through the cracks of the system  
Slipping through the cracks of the system

You've been talking to the dead  
You've been talking to the dead  
You've been talking to the dead  
We want to be alive  
I want to be alive  
We want to be alive  
You've been talking to the dead  
We want to be alive  
I want to be alive  
We want to be alive

But you've got your lucky rabbit's foot  
But that lucky rabbit lost his foot  
Lost his foot  
Oh and you trust astrology, and psychology  
But you still can't fix yourself  
You can't fix yourself  
You've been putting hexes on your exes  
And pretending to know what sex is  
While the children are slipping through the cracks of the system  
You've been trying to get some  
Trying to convince her  
While the children are slipping through the cracks of the system  
Slipping through the cracks of the system

You've been talking to the dead  
You've been talking to the dead  
You've been talking to the dead!  
We want to be alive  
I want to be alive  
We want to be alive  
You've been talking to the dead!  
We want to be alive  
I want to be alive  
We want to be alive

For the Lord is good (very good).  
His mercy is everlasting and His truth endures through all generations.  
Hallelujah, Jah.

No love, no hatred, no envy (the dead can't speak)  
No love, no hatred, no envy  
You're not alive

No love, no hatred, no envy (the dead can't speak)  
No love, no hatred, no envy  
The dead can't speak

But you've been talking to the dead  
You've been talking to the dead  
You've been talking to the dead  
We want to be alive  
I want to be alive  
We want to be alive  
You've been talking to the dead  
We want to be alive  
I want to be alive  
We want to be alive
