

No Sleep

Islander

I ain't gettin' no sleep, no sleep
I ain't gettin' no sleep, no sleep
I ain't gettin' no sleep, no sleep
I ain't gettin' no sleep, no sleep

I'm just tryin' to stay woke
Keep my head above these dark clouds
Noise up on the tv screen
Makes me wanna scream, makes me wanna scream
They cut me off it ain't nothin' new
Try to write a verse then I think of you
I put a pen to these pages
My thoughts keep erasing and that's why...

I've been gettin' no sleep, no sleep
I ain't gettin' no sleep, no sleep
I ain't gettin' no sleep, no sleep
I ain't gettin' no sleep, no sleep

I'm just tryin' to stay woke, stay woke, stay woke
Stay woke, stay woke
I'm just tryin' to stay woke, stay woke, stay woke
Stay woke, stay woke
I'm just tryin' to stay woke, stay woke, stay woke
Stay woke, stay woke
I'm just tryin' to stay woke, stay woke, stay woke
Stay woke, stay woke

I'm just tryin' to stay woke
While this world just tryin' to stay cold
Is this the way it's gotta be?
Cause it's killing me, it's killing me
Keep droppin' albums, just wish you knew
Too many voices, what should I do?
I'm so lost in the game, yeah
Can't trust what you're sayin' and that's why...

I've been gettin' no sleep, no sleep
I ain't gettin' no sleep, no sleep
I ain't gettin' no sleep, no sleep
I ain't gettin' no sleep, no sleep

I'm just tryin' to stay woke, stay woke, stay woke
Stay woke, stay woke
I'm just tryin' to stay woke, stay woke, stay woke
Stay woke, stay woke
I'm just tryin' to stay woke, stay woke, stay woke
Stay woke, stay woke
I'm just tryin' to stay woke, stay woke, stay woke
Stay woke, stay woke

I'm just tryin' to stay woke, stay woke
Stay woke, stay woke
Too many voices, what should I do?
Stay woke, stay woke

I'm just tryin' to stay woke, stay woke, stay woke

Stay woke, stay woke
I'm just tryin' to stay woke, stay woke, stay woke
Stay woke, stay woke
I'm just tryin' to
