

Skin Crawl

Islander

It makes my skin crawl

It makes my skin crawl

Seeking
Creeping
Finding
Its way into my nerves
Seeking
Creeping
Finding
Its way into my nerves

This world
This life
These stars
This knife

Shadow reaper
Soul keeper
Story teller
Truth seeker

Castle in the clouds
Dungeon in the earth
I feel the breath of death
Been feeling it since birth

It makes my skin crawl
Feeling anything, feeling everything
Makes my skin crawl
Feeling nothing, nothing at all
Castle in the clouds
Dungeon in the earth
It makes my skin crawl
Feeling nothing, feeling nothing at all

Seeking
Creeping
Finding
Its way into my nerves

Castle in the clouds
Dungeon in the earth
It makes my skin crawl
Feeling nothing, feeling nothing at all

These seasons in my mind
These pathways to my spine
A way to seek a way to find

Heart breaker
Love maker
Kiss stealer
Life taker
Heart breaker
