

Think It Over

Islander

You're just sitting there, laid back
There's no sense in living your life like that
What are your hopes and dreams?
Come talk to me. I want to know your heart

Take a good look in the mirror, and tell me what you see
All I see is potential staring back at you and me

Dance Dance. Party trance
Get on the floor and take a chance
Move Move. Bust a groove
Get so crazy that you lose a tooth

Think!
(T. H. I. N. K)
Think it over!
You've got to think to think it over!

So help me understand
What's got you down?
This life is a gift
So jump around!
If you want to get crazy and do a 180... I can show you how
You've got a life to live and you've got a lot to give
The show must go on and on and on

Dance Dance. Party trance
Get on the floor and take a chance
Move Move. Bust a groove
Life is so wild, it's like a zoo!

Think!
(T. H. I. N. K)
Think it over!
You've got to think to think it over!

I know it's hard for you to listen
Power Under Control
Just let yourself go
I know it's hard for you to listen
Power Under Control
Now, let your mind flow
I know it's hard for you to listen
Power Under Control
Just let yourself go

T. H. I. N. K
It over!

Open your ears to truth
Open your heart...
Love?
Yeah!
Hear what it's saying
Tell the truth!

You've got to Think!

(T. H. I. N. K)

Think it over!

You've got to think to think it over!

Keep that P.M.A
