

## Christmas Tree

Islands

I was feeling old and inside  
Lit up like a Christmas Tree  
Surrounded by my family  
Acting like I'm gonna die  
But they don't really know about my life  
They don't really notice me  
Only when I'm burning bright  
That's the only light they see

Doo doo doo  
Doo doo doo  
Doo doo doo  
Doo doo doo doo

I cannot be tamed  
I cannot be blamed  
I cannot be contained  
I'm a real live wire  
Baby help me, I'm on fire  
But you don't really know about my life  
You don't really know about me  
Only thing that you know about my life  
Is I'm the one who is free  
Who is free  
Who is free  
Who is free

They said I'm shopping for a coffin, please  
I said, 'Everyone get off of me'  
They said, 'I'm shopping for a coffin, please'  
I said, 'Everyone get off of me'  
Ahhh!!

Doo doo doo  
Doo doo doo  
Doo doo doo  
Doo doo doo doo
