

The Drums

Islands

wooooooooooooooooooooo

the drums once loudly resonant

dont resonate in tune

a drumming feels a little slow

yet somehow comes too soon

bruuuuu? skin cant take another hit

without you

the pockets were once lined in time

the seems seemed to pay a thread

emptying my pockets now finds crumbs where there was bread

smoooooth skin asking only for a hit

and asking nice

the drums the drums the drums

the drums the drums the drums

the drums the drums the drums
