

# Keep Calm, Carry On

Isobel Campbell

Rain falling down and down  
My old home town is lost on me  
Rain falling down and down  
My old home town is lost on  
Me

Go back to where you came from  
Go back to where you don't belong  
Go back to where you came from  
You can't do right for two and  
Keep calm, carry on

Rain falling down and down  
My old home town is lost on me  
Rain falling down and down  
My rudder is brought who's lost at  
Sea

Go back to where you came from  
Go back to where you don't belong  
Go back to where you came from  
Breathe out, keep calm and carry on  
Carry on  
There's nothing wrong  
Carry on  
Sing my song (Keep calm, carry on)  
Sing me song  
Carry on (Keep calm, carry on)  
Carry on
