

## Shotgun Blues

Isobel Campbell

Oh daddy, lay on my bed  
Ooh daddy, lay on my bed  
You'd better take that shotgun  
And fill it full of lead

Ooh daddy, love to hear you moan low  
Ooh daddy, love to hear you moan  
I know the night's for rambling  
But baby, come on home

Ooh daddy, climbing on your knee  
Ooh daddy, climbing on your knee  
I got an itch, needs scratching  
You take good care of me
