

The Cat's Pyjamas

Isobel Campbell

Have you ever wanted to look beyond clouds and the stars
Want to know what causes the trees to burn
And what changes the darkness into light
If you talk like this, people call you crazy
But if I could figure out just one of these things
What eternity is for example
I wouldn't care if they did call me crazy

So fine, so elegant
Fun with no money spent
Each minute of the day, boy
That's why I'm asking you
What is a girl to do
To make you notice her too

Marching to a different beat
When we walk down the street
Other girls won't alarm us
They think we're the cat's pyjamas

That's why I'm asking you
What is a girl to do
To make you notice her too
