

# Chasing Me Down

Israel Houghton

Your grace is chasing me down, chasing me down  
Goodness and mercy following me

Oh oh, no more condemnation  
Oh oh, no more separation from You

Your love, Your love for me  
Is running wild and free  
Your goodness and mercy taking me over  
Your love, Your love won't change  
Your promises remain  
Stronger than sin and shame  
I can't outrun your grace

Can't out run it [x3]

Your grace is chasing me down, chasing me down  
Goodness and mercy following me

Oh oh, no more condemnation  
Oh oh, no more separation from You

Your love, Your love for me  
Is running wild and free  
Your goodness and mercy taking me over  
Your love, Your love won't change  
Your promises remain  
Stronger than sin and shame  
I can't outrun your grace

Everywhere I go your grace is right there.  
Everywhere I turn your grace is right there.  
Even when I fall your grace is right there, right there

Can't run, can't hide, from Your hand on my life  
Your love, Your grace, will never ever stop chasing me  
Can't run can't hid from your hand on my life  
Your love your grace will never ever stop chasing chasing  
Can't run, can't hide, from Your hand on my life  
Your love, Your grace, will never ever stop chasing me  
Can't run, can't hide, from Your hand on my life  
Your love, Your grace, will never ever stop chasing chasing

Will never ever stop chasing, chasing will never stop chasing me.  
Will never ever stop chasing, chasing will never ever stop chasing me  
Chasing, chasing  
Will never ever stop chasing me will never ever stop will never stop will ne  
ver ever stop chasing me.

Your love, Your love for me  
Is running wild and free  
Your goodness and mercy taking me over  
Your love, Your love won't change  
Your promises remain  
Stronger than sin and shame  
I can't outrun your grace

Everywhere I go your grace is there, oh yeah  
Everywhere I turn your grace is right there  
Even when I fall your grace is there, ohhh  
No matter how hard I try.
