

How Awesome Is Our God

Israel Houghton

So amazing, so amazing
Your love for us is overwhelming
How awesome is our God

So amazing, so amazing
Your love for us is overwhelming
How awesome is our God

You love me, You love me
And no boundaries can come between us
You have me, You have me
And no power can separate us

Oh, my soul cries out
Oh, my soul cries out
Oh, my soul cries out
Hallelujah, hallelujah

So amazing, so amazing
Your love for us is overwhelming
How awesome is our God

So amazing, so amazing
Your love for us is overwhelming
How awesome is our God

Your love is high as the Heaven
Deep as the ocean
Your love is overwhelming
How awesome is our God

Your love is high as the Heaven
Deep as the ocean
Your love is overwhelming
How awesome is our God

Your love is high as the Heaven
Deeper than the ocean
Your love is overwhelming
How awesome is our God

And at the cross, You rescued us
How awesome is our God
How awesome is our God
How awesome is our God
It's overwhelming
How awesome is our God
How awesome is our God
