```
Accepted, highly favored of the Lord Forgiven by Your love I am transformed It's not what I'll do but what You've done for me And by Your grace oh God I stand with my head held high
```

```
I receive Your love, I receive Your love for me I receive Your love, I know I am accepted, oh
```

Established, ever blameless in Your Son Forever I am chosen to be loved It's not by my works, by Your work in me, yeah And by Your grace oh God I stand with my head held high

```
I receive Your love, I receive Your love for me I receive Your love, I know I am accepted I receive Your love, I receive Your love for me I receive Your love, I know I am accepted
```

Behold all things have been made new My past has gone, my shame renewed You gave Your Son Your love for me Now at the cross I am made free

```
I receive Your love, I receive Your love for me I receive Your love, I know I am accepted I receive Your love, I receive Your love for me I receive Your love, I know I am accepted I receive Your love
```

```
Where would I be?
Where would I be if not for Your grace?
