

It's Not Over (When God Is In It)

Israel Houghton

It's not over, it's not finished
It's not ending, it's only the beginning
When god is in it, all things are new
All things are new
I know it's darkest just before dawn
Might be the hardest season you experience
I know it hurts, won't be too long
You're closer than you think you are
You're closer than you've been before

Look to the sky, help is on the way
It's not over, it's not finished
It's not ending, it's only the beginning
When god is in it all things are new
All things are new

Something is moving, turning around
Seasons are changing, everything is different now
Here comes the sun, piercing the clouds
You're closer than you think you are
You're closer than you've been before
Look to the sky, help is on the way
Our god is faithful (faithful to say)
It's not over, it's not finished
It's not ending, it's only the beginning
It's not over, it's not finished
It's not ending, it's only the beginning
When god is in it
When god is in it

When god is in it, there is no limit
When god is in it, it's not over
It's not over
When god is in it, there is no limit
When god is in it, it's not over
When god is in it, there is no limit
When god is in it, it's not over

It's not over, till god says so
So I count it all joy
You make all things new
It's not over, till god says so
So I count it all joy
It's not over, it's not over

It's not over, till god says so
So I count it all joy
You make all things new
It's not over, till god says so
So I count it all joy
It's not over, it's not over, it's not over, it's not over
It's not over
