

Taste And See

Israel Houghton

Taste and see that the Lord is good, you tried everything that you thought you could. Taste and see that His love is real, open up right now, let your heart be filled.

With peace overflowing, joy everlasting, love so amazing, taste . Life so exciting, hope so inviting, all who are crying to be free; taste and see, taste and see, taste and see.

Taste and see that His Word is true, you've been hurt before, He won't lie to you Oh taste and see never thirst again, Every broken heart Jesus Christ will mend.

You'll never know 'til you try. You'll never live 'till you die to yourself and find for yourself that He's good.

You'll never see with your eyes, until your heart realizes that He is all that you need; taste and see.
