In This Life

Israel Kamakawiwo'ole

For all I've been blessed with in my life There was an emptiness in me I was imprisoned by the power of gold With one kind touch, you've set me free

Let the world stop turning, let the sun stop burning Let them tell me, love's not worth going through If it all falls apart, I will know deep in my heart The only dream that mattered had come true In this life, I was loved by you

For every mountain I have climbed Every raging river crossed You were the treasure that I longed to find Without your love I would be lost

Let the world stop turning, let the sun stop burning Let them tell me, love's not worth going through If it all falls apart, I will know deep in my heart The only dream that mattered had come true In this life, I was loved by you

I know that I won't live forever But forever I'll be loving you

Let the world stop turning, let the sun stop burning
Let them tell me love's not worth going through
If it all falls apart, I will know deep in my heart
The only dream that mattered had come true
In this life, I was loved by you
In this life, I was loved by you
