Somewhere over the rainbow

Way up high

And the dreams that you dream of
G Ami F
Once in a lullaby

Somewhere over the rainbow
Bluebirds fly
And the dreams that you dream of
Dreams really do come true

C
Someday, I wish upon a star
G Ami F
Wake up where the clouds are far behind me
C
Where trouble melts like lemon drops
G
High above the chimney top

That's where you'll find me

Somewhere over the rainbow
Bluebirds fly
And the dreams that you dare to
Oh why, oh why can't I?

Well, I see trees of green and red roses too
I'll watch them bloom for me and you

And I think to myself
What a wonderful world

Well, I see skies of blue and I see clouds of white
And the brightness of day I like the dark
And I think to myself
what a wonderful world

The colors of the rainbow so pretty in the sky
And also on the faces of people passing by
I see friends shaking hands saying How do you do?
They're really saying I, I love you

I hear babies cry and I watch them grow
They'll learn much more than we'll know
And I think to myself
what a wonderful world

Someday I wish upon a star
Wake up where the clouds are far behind me
Where trouble melts like lemon drops
High above the chimney top
That's where you'll find me

Oh, somewhere over the rainbow
Way up high
And the dreams that you dare to
Why oh, why can't I?
