Somewhere over the rainbow
F C
Way up high
And the dreams that you dream of
G Ami F
Once in a lullaby
Somewhere over the rainbow
Bluebirds fly
And the dreams that you dream of
Dreams really do come true
Someday, I wish upon a star
                                Ami F
Wake up where the clouds are far behind me
С
Where trouble melts like lemon drops
High above the chimney top
Ami F
That's where you'll find me
Somewhere over the rainbow
Bluebirds fly
And the dreams that you dare to
Oh why, oh why can't I?

Well, I see trees of green and red roses too
            C E7
I'll watch them bloom for me and you
And I think to myself
              Ami
What a wonderful world
Well, I see skies of blue and I see clouds of white
And the brightness of day I like the dark
And I think to myself
what a wonderful world
The colors of the rainbow so pretty in the sky
And also on the faces of people passing by
                   С
I see friends shaking hands saying How do you do?
            C Dmi7
They're really saying I, I love you

I hear babies cry and I watch them grow
                С
                      E7
They'll learn much more then we'll know
And I think to myself
               Ami
what a wonderful world
