## **Starting All Over Again**

## Israel Kamakawiwo'ole

Starting all over again is going to be rough For us, we're going to make it Starting all over as friends is going be tough On us, we gotta face it

We lost what we had That what hurt us so bad Set us back a thousand years But we going to make it up Though I know it's going to be tough To erase the hurt and fears

Starting all over again is going to be hard But I pray to the Lord to help us make it Starting all over again is going to slow But we both know, we gonna make it

We gotta take life as it comes Never fuss about it, what's right or wrong It's an uphill climb, to the finish line We gonna try, we gonna try, just one more time

We gotta take life as it comes Don't make any fuss about it, what's right or wrong We gonna make it up, though I know it's gonna be rough To erase the hurt and fears

Starting all over again is going to be rough For us, we're going to make it Starting all over as friends is going be tough On us, we gotta face it
