

African Unification

Israel Vibration

Mama Africa, crying blood through these years...
Fi i old man, rideth inna Zion, Jah Rastafari is His name.
Thy Kingdom come, on Earth will be done as there is a Mountain
Zion.
Thanking the i for this day, for giving i and i our daily bread
.
And thy Kingdom come, on Earth will be done as there is a Mount
ain Zion.
Mama, Oh Mama Africa how long you been crying?
Oh Mama Africa you say your children been a dying.
If all my wishes and dreams could come true, here is one wish i
so like would do:
The Unification of African Nation, no ore of this here war on t
ribal segregation.
I'd love to see the Unification of African Nations.
I'd love to see a United States that we call Africa.
From Addis Ababa to Zimbabwe, From Angola down to South Africa.
Into the heart of the African Congo, Nyabinghi chant and drink
and the drums.
I'd love to see the Unification of African Nations.
I'd love to see a United States that we call Africa.
Fi i old man, rideth inna Zion, Jah Rastafari is His name.
Thy Kingdom come, on Earth will be done as there is a Mountain
Zion.
