

# Love Is All You Need

Israel Vibration

We need it. We need it. We need it.  
It's good to be loved.  
Love. Love. Love. (Quench me woman.)  
Love. Love. Love. (Love satisfy me.)  
Love. Love. Love. (Quench me with love.)  
Birds do it though they fly. / Dogs do it. No no cry.  
You and I getting together woman. / Love is all we need.  
You don't have to cry me no river.  
You don't have to shed me no tear.  
Love can hurt so much, but we keep on coming back.  
Because it's good to be loved.  
Though sometimes we curse and swear.  
Deep in my heart you know that I care.  
Because if I am wrong I stand as a man,  
I say I'm sorry girl.  
There you go crying again.  
Hurt and grief covered with pain.  
Because love has left you crying. / Crying like rain.  
Like season come and season go.  
Winter, spring, rain, sleet or snow.  
I need a live blanket, some T.L.C.  
I'll be the rocking chair.  
I stock the wood while you stir the fire.  
Satisfy our heart desire.  
love can hurt so much but we keep on coming back.  
Because it's good to be loved.
