

Middle East

Israel Vibration

Until we find
A way to move yah
Our love for each other
Will have to improve
This ya roots rock reggae
Got the groove, yah
You better take warning
No time to loose, wo yeah
Watch the middle east
It start from there
This ya third world slaughter
Headin' for the west frontier, yah
Until we find a way
To leave the west, o yes
Our love for each other
Must be the strongest
So much doctrine
So much opinion, o yes
But it's One Jah, One Glory
The Highest Region
