

## Perfect Love and Understanding

Israel Vibration

I'm saying it's you  
Then you come and tell me  
That it's me  
Then we started to fight  
How could that be right ?  
Liberty, cause with  
Carelesness you see  
If you lie down with dog  
Sure you can go rise up with flea  
And if you mash fe me corn  
Sure you can go mek me yawn  
And if you scratch fe me back  
Sure me ago scratch fe yours too  
All we need is  
Perfect love and understanding  
And if we try try try  
We can work this out
