

# Poor Man Cry

Israel Vibration

Everyday you hear the same cry (cry)  
There's no need for you to wonder why  
Poor man feels it every day  
Hear me when I say!  
Poor man feels it every way (cry)  
Some even go astray

You can see them in the streets every day  
You can see them in the streets at night  
Looking for a bag  
Although they seem to be alright  
They are always in your sight  
Trying to overcome the fight

(Hook 1)  
Oooo-oo-ooo  
Uuuu-uu-uuu  
No one wants to be, living in poverty  
Often times it happened, to the poor class you see

(Hook 2)  
Oooo-oo-ooo  
Uuuu-uu-uuu  
Poor man cry  
You can hear it so I  
They feel it night and day  
Hear me when I say!

Every day is the same thing  
Oh, yeh  
Some of them are so lone  
Sometimes they don't know where to go

(Hook 3)  
Oooo-oo-ooo  
Uuuu-uu-uuu  
Poor man cry  
You can hear it so I  
See them die... everyday

(Hook 4)  
Oooo-oo-ooo  
Uuuu-uu-uuu  
Poor man cry  
You can hear it so I  
Poor man feels it every day  
Hear me when I say

Every day is the same thing (crying)  
Every day is the same cry (crying)  
It's no need for you to wonder why  
So many die  
It's no need  
Who no-oo!  
Poor man cry  
Poor man cry  
Even he bleed

See them die every day

(Hook 5)

Oooo-oo-ooo

Uuuu-uu-uuu

Poor man cry is the rich man's job

Where the rich man play

That's the poor man's day

(Outro)

Poor man cry

See them die

Poor man cry

Even he bleed

See them die, everyday

Ooo-oo-ooo

Uuu-uu-uuu

Poor man cry

See them die
