

Systematical Fraud

Israel Vibration

La la la, oh Lord, oh Lord !
La la la la la oh Lord!

The system is a fraud
It all started from abroad
Where a bunch of guys
Get themselves together
And call themselves world leaders
Some of dem were 'posters
Some of dem were traiters
And some were human slayers
While some came as slave buyers
So they skip across the border
Up in a Ethiopia
So they skip across the border
In order to take over
Skip across the border
And then there came disaster
The system was designed
Like a cornmeal when it grinds
Where the so called leaders
Joined hands with their friends
Pointing towards your future
Oh Lord, la la la la, oh Lord
La la, Lord, oh Lord
La la la

Babylon went with weapons of war
And they surely went far
And it was like a slaughterhouse, oh Lord !
What dem a go tell Jah seh
On that day
When the higher level
Draw up on dem
Oh Lord, Oh Lord !
La la la, oh Lord
La la la

Babylon went with weapons of war
And they surely went far
And it was like a slaughterhouse, oh Lord
What will they have to say
On that day
Because me know
Dem have to runaway
My people were your prey
So many, so many were slay
For the past how long gone years
You have us living in fear
Oh Lord, oh Lord
Oh lord, la la la la, oh Lord!
But a nuh so, it a go go
A nuh so, no no
Oh lord, oh Lord !
