

Why You So Craven

Israel Vibration

Damn Craven
Why you so craven ?
You just a fly down like raven
Why you so craven ?
You just a fly down like raven
That's not the way to behave,
You have enough and still they prey
You always taking away mine
What make you have that trouble sometime ?
You never want, you never need
It's just a dirty, greedy greed
Long time you a barbarous
Long time I man a get harassed
You too damn craven,
Me say you can't go to heaven
Cause you so craven,
You bout to born in Jah oven,
Why you want so much ?
You always have the greedy touch
You is a sly old fox,
That why your money can't make you relax
Long time you a make fun a we
Long time I nah get none of it
