

# The Way I Love You

Isyana Sarasvati

Say my name say my name say my name  
Everytime right now  
I will fall I will fallin' to you  
If I say that you need me boy  
That I will be right there  
Baby that's the way I love you

Oh our love so strong  
I just knew will feels so right  
And I found I'm with you

All I need is you  
I've waiting all my life for someone just like you  
Anytime of the day  
That's the way I love you  
I've waiting for someone who loves me like you do  
Anytime of the day  
That's the way I love you

Hold my hand hold my hand hold my hand  
And I wont let go  
I am let you keeping with you  
There's nothing that can ever  
Tear us goes apart  
Baby that's the way I love you

Oh our love so strong  
I just knew will feels so right  
And I found I'm with you

All I need is you  
I've waiting all my life for someone just like you  
Anytime of the day  
That's the way I love you  
I've waiting for someone who loves me like you do  
Anytime of the day
