

Leaf/Crazy2

It Looks Sad.

Tell me what to do
I'll do anything for you
Tell me what to do
I'll just try it for you
Cause I'm crazy too
Yeah, I'm crazy for you

We can't get back to what we were
No, we can't get back, that's for sure

[?] outside
We fall down rocks
It's all in my head
I talk too much

And it's gone, gone
Does it ever come back?
It's gone, gone
Does it ever come back?
It's gone, it's gone
Does the feeling ever last?
It's gone, it's gone
Does it ever come back?
