

# Colours Of The Rainbow

Italobrothers

So then show  
You wanna look kind  
24/7 on my mind  
All I ever wanted  
Is to be with you  
Making me feel  
Is so brand new

I thought I can love no more  
Warned too many times before  
Now everytime I look up to the sky  
I've got you on my mind

The colours of the rainbow shine so bright  
Everytime I look into your eyes  
It's the colours of the rainbow that feed my soul  
Over and over just like you do

The colours of the rainbow shine so bright  
Everytime I look into your eyes  
It's the colours of the rainbow that feed my soul  
Over and over just like you do
