Cryin' in the Rain

Italobrothers

Keeping me away from falling the part out
I'm afraid to get back to the start
My feelings for you never changed in the meantime,
I want you back you're my friend

And every waking moment it's like stings in my vein
It's a never ending story so I try to melt my brain

But I'm cryin' in the rain
And tears can never wash away my pain
Cause I'm the one to blame
I know

So I'm cryin' in the rain
It's so hard to hamper
It's driving me insane
I was living in the fast lane
Let it rain

Sometimes it's too late to apologize
and I know it but don't realize
My mind keeps on playing those games
Come and set me free
But don't you come back and see

But every waking moment it's like stings in my vein
It's a never ending story so I try to melt my brain

But I'm cryin' in the rain
And tears can never wash away my pain
Cause I'm the one to blame
I know

So I'm cryin' in the rain
It's so hard to hamper
It's driving me insane
I was living in the fast lane
Let it rain

Rain

I die for you
The up and die
The up and die I do (I do)
I die for you
The up and die
The up and die I do

I'm here I'm cryin' in the rain
And tears can never wash away my pain
Cause I'm the one to blame
I know

So I'm cryin' in the rain
It's so hard to hamper
It's driving me insane
I was living in the fast lane

Let it rain
