

# Hardcore

Italobrothers

Let me hear that flow on the floor  
We drop it up and down 'til the break of dawn (hardcore)  
On a highlight never before  
We drop it up and down, livin' life hardcore (hardcore)

(Hardcore)

Bass intricate, drums were humming, the beat got up, clearly hardcore  
We drop it up and down, livin' life hardcore

Let me hear that flow on the floor  
We drop it up and down 'til the break of dawn (hardcore)  
On a highlight never before  
We drop it up and down, livin' life hardcore (hardcore)

In my head, in my veins  
There's a rush I can't explain  
When the lights hit my face  
Oh, it takes my pain away

Let me hear that flow on the floor  
We drop it up and down 'til the break of dawn  
On a highlight never before  
We drop it up and down, livin' life hardcore
