

# Put Your Hands Up In The Air

Italobrothers

Put your hands up in the air

Wave your hands up in the air

Come on, come on, try it if you dare

Come on, come on, wave it and wave it around

Come on, come on, put your hands up in the air

Try it if you dare

I like the way you move tonight

I feel your vibe and it feels so right

You really keep me going on, so come on

I love the way you dance tonight

I like your style, fascinate outside

You really keep me going on, so come on

Let's get ready

Wave your hands up in the air

Come on, come on, try it if you dare

Come on, come on, wave it and wave it around

Come on, come on, put your hands up in the air

Try it if you dare

I like the way you move tonight

I feel your vibe and it feels so right

You really keep me going on, so come on

Wave your hands up in the air

Come on, come on, try it if you dare

Come on, come on, wave it and wave it around

Come on, come on, put your hands up in the air

Try it if you dare

Wave your hands up in the air

Come on, come on, try it if you dare

Come on, come on, wave it and wave it around

Come on, come on, put your hands up in the air

Try it if you dare
